Directions: Each group of questions in this section is based on a set of conditions. In answering some of the questions, it may be useful to draw a rough diagram. Choose the response that most accurately and completely answers each question and blacken the corresponding space on your answer sheet.

Questions 1–5

Ned is going to utilize 6 different LSAT learning products over the course of 4 weeks. Three of them—Blueprint, Kaplan, and 7Sage—are recorded courses, and three of them—Manhattan, Powerscore, and The Trainer—are study guides. At the beginning of each week, he will choose a course or study guide, and he will use each product for exactly one of the four weeks. He will utilize the learning tools in accordance with the following conditions:

He uses only one learning product during the first week.

He uses Powerscore in an earlier week than either Manhattan or Kaplan, but not both.

He does not use Blueprint in Week two.

He does not use a course during the third week.

He does not use more than one study guide in any one week, and does not use more than one course in any one week.

- Which of the following could represent the schedule for when he utilizes the learning products?
 - Week one: Kaplan; Week two: Blueprint and The Trainer; Week three: Powerscore; Week four: 7Sage and Manhattan.
