## Old Blue Eyes

**Directions:** Each group of questions in this section is based on a set of conditions. In answering some of the questions, it may be useful to draw a rough diagram. Choose the response that most accurately and completely answers each question and blacken the corresponding space on your answer sheet.

### Questions 1–7

Seven singers—Hiroshi, Jordan, Kirkwood, Lewin, Marin, Olin, and Pan—will audition for the lead singer role in a Frank Sinatra cover band. The auditions will take place one at a time, and no other singers will audition for the role. The order of the auditions must conform to the following rules:

Exactly two auditions will take place between Jordan's audition and Olin's audition.

Exactly one audition will take place between Marin's audition and Pan's audition.

Hiroshi's audition will take place immediately before or immediately after Lewin's audition.

Jordan's audition will take place before Hiroshi's audition.
